The subheader needs to be re-written. I don't think we should start with or emphasize his skepticism about Paris, we should start with the positive. Nonetheless, all the language related to that needs to be re-stated to underscore that he used that word in the context of the President's statement that we may "re-negotiate" Paris as one of the options. That is what he said he was skeptical of. can you please make those edits and re-send?

Ryan/Samantha,

The US Embassy Vatican prepared the attached draft reporting cable on the Administrator's Vatican meeting. Since I was not in this meeting, can you please review. If possible, the Embassy would like to send out the cable this week.

Thanks,

Jane
